3 VALLEYS FESTIVAL BUS TIMETABLE 2017

The timetable below is the service planned to operate for festival goers on Saturday 3rd June. There is no fare payable however you may choose to drop some money in the organisers appreciation bucket. Whilst we endeavour to operate the service as shown, no guarantees are made and seats are subject to availability, first come first served on a walk up basis. Services are generally old style step access buses so unfortunately are not suitable for wheelchairs or push chairs. Buses stop only at the locations shown in the timetable.
